## ***Patooties Spring/Summer Jewelry Line is Heaven Sent***

New York, NY – Designed in Israel by Hely's Designs and Sea-Smadar Eliasaf, Patooties Spring/Summer collection for 2007 delivers a unique blend of historical culture and modern religion.

Dark, rich leathers and matted golden brass give the designs of **Sea-Smadar Eliasaf** an aged, antique feel. Symbols such as Fleur-de-Lis and Celtic Knots give today's woman a sense of spiritual awareness

and empowerment. The heart is also a popular symbol in the collection, giving a modern twist to a classic icon.

The pieces from **Hely's Designs** transform accessories into bold, powerful statements. A modern version of

the Kabbalah Red String is adorably adorned with gold charms, including a Hamsa charm said to possess a positive and protective energy. There are many other delicate pieces in the collection containing

symbols of spiritual empowerment for the busy mind of today's woman. Jewelry such as this bracelet (on right above) made with Swarovski crystals and suede, is the perfect blend of interesting and elegant.

Patooties new collection ensures that summer accessories are going to be spiritual and spectacular.

***This season's jewelry makes thought provoking spiritual statements. However, women will choose to wear it to make a statement of a different kind; a stunning fashion statement that nobody can ignore.***

*Celebrity patrons of Sea-Smadar Eliasaf and Hely's Designs include: Paris Hilton, Donatella Versace, Hilary Duff, Kirstie Alley, Natalie Cole, Sally Field, Leeza Gibbons, and Paula Abdul.*
